

Ok, lets kickstart your ING accounts with \$100.00! All you have to do, is follow the below steps when you have your first date night with Scott Pape, in the chapter Barefoot Banking. If you use this promo code EVL846 and follow the below instructions, you and I will both receive \$100.00 in our ING accounts.

Keep your eye out in your emails as you too will be issued a promo code that you can then refer to your friends and family to further receive another \$100.00. This is a great way to earn some extra bucks and experience the joy of barefooting.

- 1** Head to ing.com.au/everyday, open a new Orange Everyday account and enter **EVL846** in the promo box at the end of the online form
(this part's really important, as otherwise neither of you will get your bonus!)
- 2** Deposit their pay of \$1,000+ into their new Orange Everyday account within any calendar month by **28 February 2018**
- 3** Open and make a deposit into a new Savings Maximiser by **28 February 2018**
- 4** Use their Orange Everyday card to make 5+ purchases before **28 February 2018**

Once your friend has completed the steps above, you'll both receive your bonuses the following month. Tell them they'd better be quick though, as this offer is only available until 28 February 2018 and is limited to the first 10,000 eligible participants.

They can find out more at ing.com.au/summer100 but be sure to give them your code first:

EVL846

If you would like to discuss this further with me or anything about the Barefoot Investor I'm always here and would love to chat, my number is 0411 555 136!

Happy Barefooting!
Sally Hams
